PROFESSIONAL SUMMARY

Motivated B.Tech student specializing in Artificial Intelligence and Data Science with strong skills in Full Stack Web Development. Experienced in building responsive web applications, integrating machine learning models, and working with REST APIs. Passionate about backend development, scalable systems, and real-world problem solving.

TECHNICAL SKILLS

Languages: Python, JavaScript

Frontend: HTML, CSS, JavaScript, Bootstrap, React

Backend: Python (Flask), Node.js

Database: MySQL, MongoDB

AI/ML: Machine Learning, NLP Concepts

Tools: Git, GitHub, VS Code, REST APIs

PROJECTS

💎 Sign Talk – Sign Language Communication Web Application

- Converts sign language into Tamil text and speech
 - Supports text-to-sign animation and video upload
 - Integrated ML model for gesture recognition
 - **Tech:** HTML, CSS, JavaScript, Python, Machine Learning
-

💎 AI Powered Resume Analyzer

- Built a system to analyze resumes using NLP techniques
- Extracts skills, education, and experience automatically

- Matches resumes with job descriptions for scoring
 - Provides suggestions for ATS optimization
 - **Tech:** Python, NLP, Machine Learning
-

◆ Scam Detection Web Application

- Detects fraudulent or risky messages using ML model
 - Displays risk level with dashboard visualization
 - Integrated backend APIs for predictions
 - **Tech:** Flask, Python, HTML, CSS, Machine Learning
-

◆ Internship Web Portal

- Developed homepage, registration, and payment pages
 - Implemented validation and responsive UI design
 - **Tech:** HTML, CSS, JavaScript
-

INTERNSHIP EXPERIENCE

Full Stack Developer Intern — CodeInfinite

- Developed full-stack web applications with AI integration
- Connected frontend with backend APIs and databases

Full Stack Developer Intern — WebGen

- Built web applications using modern technologies
- Implemented backend logic and database operations

Frontend Developer Intern — Cognifyz Technologies

- Developed reusable UI components
- Improved user experience using CSS and JavaScript

Frontend Developer Intern — Techvolt Software Pvt. Ltd.

- Designed internship portal pages
 - Implemented forms, validation, and responsiveness
-

EDUCATION

B.Tech in Artificial Intelligence and Data Science (
SNS College of Engineering, Coimbatore

SOFT SKILLS

Communication, Team Collaboration, Problem Solving
